Helpful Hints for Skaters New to Group Lessons

1. Please arrive 20 minutes prior to classes starting. Classes will start promptly at the scheduled time. Temperature checks will be performed in the lobby before entering the rink.
2. Please dress your child warmly. It is **COLD** in the skating rink. Snow pants, jackets, warm gloves and a **bike or hockey helmet are strongly recommended.**
3. When using our rental skates, please ask for the black rental figure skates. Please do not put any new skater in hockey skates. Hockey skates are only recommended for skaters in Snowplow Sam 3 or Basic 2 and higher. Skates should be laced tightly through the top of the foot and ankle. Ask for help if you need it!
