Jump Start Program

Jump Start is the new name for Hatfield Ice's bridge program. It is designed to teach skating skills at a faster pace, in a small group environment. Only the first 10 skaters will be accepted! It's a great way to begin the transition from basic skills to figure skating programs and free-style ice. Not only does it help skaters learn, but there are also parent information sessions.

Bridge program members are introduced to the various disciplines of skating, as well as information about: attire, etiquette, ice utilization, good practice habits, USFS testing, competitive structure, club functions, how and when to select a private coach, goal setting, and positive thinking.

*****For best results, it is highly recommended that this class be taken in addition to GROUP LESSONS.*****
