Hatfield Ice Freestyle Policies

At Hatfield Ice, we expect all skaters & coaches to show courtesy and respect to one another while on the ice. Please be sure to adhere to the following rules & policies for Freestyle hours at our facility:

- 1) Please respect fellow skaters & coaches at all times.**
- 2) All coaches must sign in their student's lesson times before taking the ice.**
- 3) All skaters must check in at the rink office and pay their ice fees in full before taking the ice.**
- 4) Please respect the right of way to skaters doing routines and/or taking lessons. Skaters & coaches must be aware of their surroundings and respect each other's space while on the ice.**
- 5) Coaches may have up to 3 skaters per lesson at a time. Any lessons with more than 3 skaters at a time will be stopped by management immediately and will be asked to leave the ice.**
- 6) Verbally abusing other skaters or coaches will not be tolerated. If you see an issue on the ice, please contact a manager at the rink or you can advise our Freestyle Monitor and they will contact a manager to handle the situation.**
- 7) Except for coaches videotaping their own students routines, videos or photos of skaters are strictly prohibited. Anyone that violates this rule will be asked to leave the facility.**
- 8) Hockey players are only permitted on the ice if they are in a lesson. No sticks allowed.**
- 9) Skaters must be in Basic 5 or higher if they are not in a lesson. Beginner skaters may only use freestyle ice if they are in a lesson.**

We appreciate your help and cooperation in making Hatfield Ice a safe and friendly environment for all skaters & coaches!
