

Mid Atlantic Showcase Series

The Mid Atlantic Showcase Series is Philadelphia's premier series of showcase and youth hockey tournaments. With four currently scheduled events each year, the Showcase Series prides itself on providing not only fun, competitive, and safe on ice play between its participating clubs; but also, professional and personal tournament operations. Organized and directed by local current coaches and ex-players, the USA Hockey-sanctioned Mid Atlantic Showcase Series puts people first, relying on open and direct communication with its participants.
